

Swinging in New Orleans: The Holiday Session

Artist: Swinging in New Orleans

Digital & CD Release: November 28, 2025

A festive New Orleans jazz celebration of holiday classics and an original composition — performed by a community of New Orleans musicians united by their sound, craft, and shared musical spirit.

About the Album

The Holiday Session blends classic Christmas melodies with the joyful, brassy spirit of New Orleans swing. Led by trombonist Stephen Walker, the album brings together musicians whose shared connection gives the session its warmth, humor, and heartbeat. Recorded at SINO Sound Studio, the project moves between the fullness of big-band horn sections and the intimacy of small-ensemble moments, creating a colorful modern take on New Orleans holiday music.
